3.2 The addition of programs of study at a degree or credential level different from those that were offered when most recently accredited

The Arkansas Department of Education made licensure changes that led EPPs to change degree plans. The ECE PK-Grade 4 program of study is being deleted (effective spring 2018) and the Elementary K-6 program of study was approved and implemented in 2014. The Middle Level programs were changed to reflect ADE licensure changes. Candidates may now choose any 2 disciplines from a four option (LA, SS, Math, Science). The old licensure forced them into 2 tracks of LA/SS or Math/Science. The Music and Spanish licensure programs were revised to K-12 to meet new licensure requirements.
